

Oceanworks Car Repair is on Chalan Msgr Martinez, near the intersection with Koblerville Road. Turn in where you see the Chinese sign, and drive down the dirt path until you come to the shop.

Shop hours 9AM-7PM Mon-Sat, other times by appointment.

Call the office at 286-0450 or the shop at 287-1057.

Easy directions to our shop:

Option 1: In Chalan Kanoa, on Beach Road, near the Mobil station, turn onto As Perdido Road to go east (away from the beach). When you get to Msgr Martinez Road, make a right turn toward Koblerville, and after you pass the church and CYA Market on your right, the entrance to our shop will be the second driveway on your right side.

Option 2: Drive south (away from Garapan) on Beach Road, past San Antonio, past PIC, and Beach Road curves and becomes Koblerville Road. Keep driving. When the road dead-ends with a stop sign and meets Msgr Martinez, make a right turn onto Msgr Martinez, and make the first left turn into our shop.
